

## SATURDAY TOURNAMENTS

For those wrestlers and parents who seek additional or a higher level of competition, these “open” tournaments are organized by clubs around the state under the auspices of USA Wrestling. Because they are sanctioned by the national wrestling governing body, participants in these Saturday tournaments will need to purchase a one-year USA WRESTLING MEMBERSHIP card (includes activity insurance). Most of these tournaments will require a Utah USA Wrestling League Insurance Card for \$10.75 or a USA National Card for \$37.00. These are both one-year cards and are good until August of 2010.

To establish an individual account and an athlete’s membership, use this link:

<http://www.usawmembership.com/CreateAccount.jsp?TIM=1256145768971&twSessionId=mctpwdchgmgh>. For further information on regional and national wrestling tournaments, camps, clinics, visit: <http://www.themat.com/>.

After you register, print out a membership card from the online center. Online registration is required for some tournaments; otherwise you may register on site prior to weigh-in (see below). Sites will post weigh-in times, where individuals will be placed in age-appropriate classifications, as well as the meet start time (which may be differentiated by age or grade). Parents or their designees are responsible to transport to and from the site; coaches do not have the liability to assist with transportation. There may or may not be a program coach in attendance; plan to coach your athlete or to have an adult there who will encourage your athlete’s best participation as well as most sportsmanlike demeanor.

Club duals will be combined team events (not school-sanctioned) with the best individuals from the towns of Spanish Fork, Mapleton, and Springville as part of the Champions Wrestling Club. Wrestlers who do not participate in the dual meet tournaments can wrestle in any of the open meets. Go to the website: [www.championswrestling.com](http://www.championswrestling.com) for more information on in-season and post-season tournaments and practices.
