

Mapleton Jr. High
Smart Goals
2007-08

During the 2007-08 school year every student (100%) will be involved with an extra-curricular activity and be recognized positively and publicly. Reporting will be in January 2008 and in May 2008.

During the 2007-08 school year, all classes will incorporate problem solving skills into their curriculum, reporting their activities, to increase student achievement on end of level testing.
