

### **BOARD MEMBER QUALIFICATIONS**

A person is legally qualified to become a member of the Board who is a resident in the school representative precinct from which elected and is a qualified and registered elector in the school representative precinct from which elected.

In addition, it would be desirable that members of the Board have a genuine interest in and devotion to public education, a willingness to give time and effort to the work, a capacity for understanding people, and the ability to work cooperatively with others.

Employees of the school district are precluded from serving on the Board of Education by reason of statute making it unlawful for a Board member to be an employee of the school district.
