

PROFESSIONAL STAFF RECRUITING

The Nebo School District Board of Education and the administrative personnel realize that a sound educational system cannot be built and maintained without definite procedures for the recruitment of personnel and that the quality of the educational program is dependent upon the employment and retention of high caliber professional personnel.

All currently employed professional personnel share a common responsibility for the procurement of the type of staff needed. They are expected to help in every way possible and specifically by making the system aware of outstanding prospects at every opportunity.

Teacher recruitment is to be facilitated and coordinated by the Director of Human Resources. Principals, directors, coordinators, supervisors and others will assist the Director of Human Resources as needed.

There will be no discrimination in the recruitment process due to sex, creed, race, color, national origin, disability or age.

All professional personnel selected for employment must be approved by the Superintendent and by the Board of Education.
