1.3.4. Title VI of the Civil Rights Act of 1964 (Title VI) provides that “No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.” 42 U.S.C. §2000d (2006).

8. COMPLAINT PROCEDURE

Students who believe they have been subjected to Discrimination, Harassment, or Sexual Harassment, including students who believe that, due to a protected classification, they have been excluded from or denied the benefit of a program, offering, or facility, or that a school or District rule, policy, or practice has excluded or denied them a benefit, shall immediately file a complaint as described in this section. Complaints may also be filed by parents, employees, or others who have reason to believe one or more students have been subjected to Discrimination, Harassment, or Sexual Harassment. For purposes of this policy, the term “conduct” includes a school or District rule, policy, or practice.

8.1. Complaint Process

8.1.1. Students who believe they have been subjected to conduct constituting Discrimination,
Harassment, or Sexual Harassment, as described above, are encouraged, but not required, to confront the respondent and tell him or her to stop the conduct because it is unwelcome.

8.1.2. The student should directly inform his or her school administrator of the conduct using the process outlined below.

8.1.2.1. The student should document the respondent’s conduct using the student Bullying, Discrimination, and Harassment Complaint Form (Complaint Form) and deliver it to his or her administrator. If the student is not able to complete the Complaint Form, he or she may notify the administrator verbally, and the administrator may complete the Complaint Form based on the verbal report. Alternate methods of filing complaints shall be made available to younger students or students with disabilities who need accommodation.

8.1.2.2. If the respondent is the student’s administrator, or if the student feels he or she cannot report the conduct to the administrator, the student shall report the conduct to the Coordinator of Student Services at the address and phone number listed in Section 1 of this policy.

8.1.3. A teacher, counselor, or administrator who receives a complaint shall promptly deliver it to the Building Administrator, who is a member of the Management Team trained and designated to investigate complaints made under this policy. Once a complaint has been received by the Building Administrator or by the Coordinator of Student Services, an investigation will begin as described in Section 10 of this policy. The victim may be interviewed throughout the investigation process for additional information. The victim and respondent will be notified when the investigation is completed.

8.2. Substance of Complaint

Complaints of Discrimination, Harassment, or Sexual Harassment, whether made verbally, using the Complaint Form, or in some other way, must include the following information:

8.2.1. Name, home address, email address, and telephone number of person making complaint;

8.2.2. Date(s) of incident(s) giving rise to the complaint;

8.2.3. Name(s) of respondent(s);

8.2.4. Description of the conduct or incident(s) giving rise to the complaint;

8.2.5. Description of the harm caused by the incident; and

8.2.6. Description of the remedy sought. Providing a description of the remedy sought does not confer authority on the victim or the victim’s parent to determine the discipline imposed on the respondent. The imposition of remedies, including any disciplinary action, lies only within the authority and sole discretion of the District and may not be divested to others.

9. EMPLOYEE RESPONSIBILITY TO REPORT

9.1. A teacher, school counselor, or administrator who receives a completed Complaint Form shall, as soon as is reasonably possible, deliver it to the Building Administrator. If the Building Administrator is not available or is the subject of the complaint, the teacher or school counselor shall deliver the Complaint Form to the Coordinator of Student Services.

9.2. Other school employees who observe or otherwise become aware of conduct that may
constitute Discrimination, Harassment, or Sexual Harassment involving a student should report the conduct to the Building Administrator whether the victim files a complaint or not.

10. INVESTIGATION

10.1. The procedures outlined in this section are detailed and constitute the recommended best practice. Minor omissions and other procedural inconsistencies do not invalidate an otherwise equitable investigation. Investigators must be flexible and adapt to the circumstances of each complaint.

10.2. Commencing an Investigation

10.2.1. An investigation should begin when an employee with supervisory responsibilities over other employees, becomes aware of an allegation of, or conduct that may constitute, Discrimination, Harassment, or Sexual Harassment against a student. Such conduct or allegation is typically made known by receipt of a Complaint Form, but it may also be made known through a variety of other means, including but not limited to verbal complaints by students or parents, notice from an employee, direct observation, or as facts are disclosed during normal disciplinary proceedings. When a Building Administrator becomes aware of conduct that may be in violation of this policy, he or she shall ensure that the Coordinator of Student Services is aware of the potential violation.

10.2.2. The Coordinator of Student Services shall notify and consult with the applicable Director of Secondary or Elementary Education, the Civil Rights Coordinator, and any other applicable administrator and determine whether to open an investigation.

10.2.2.1. If the complaint alleges Discrimination or Harassment based on disability, notice and consultation should include the District Section 504 Coordinator or Director of Special Education, as applicable.

10.2.2.2. If the complaint alleges facility access discrimination based on disability, notice and consultation should include the District Risk Manager.

10.2.2.3. If the respondent is an employee, volunteer, or other adult, notice and consultation should include the Director of Human Resources.

10.2.3. If the decision is to open an investigation, the Coordinator of Student Services shall use the following guidelines and assign an appropriate administrator to conduct it.

10.2.3.1. If the conduct includes alleged or apparent harassment or discrimination based on a protected class, the Civil Rights Coordinator will typically be assigned to conduct the investigation.

10.2.3.2. If the conduct does not include alleged or apparent harassment or discrimination based on a protected class but includes bullying that is repeated or severe, the Coordinator of Student Services will typically conduct the investigation.

10.2.3.3. Alleged or apparent conduct that does not fall within subsections 10.2.3.1 or 10.2.3.2 may be investigated by the school-level administrator as assigned by the Coordinator of Student Services.

10.2.4. The investigator should begin each investigation by documenting the type of conduct using the student Bullying, Discrimination, and Harassment Investigation Checklist (Checklist) and creating an investigation file. The investigator completes the Checklist as the investigation proceeds.
10.2.5. The investigator will determine whether interim measures need to be taken such as separating the victim from the respondent pending the outcome of the investigation. If necessary, the investigator will recommend or implement appropriate interim measures to protect the victim from continued Discrimination, Harassment, Sexual Harassment, or Retaliation.

10.2.6. If the investigator begins an investigation before receiving a Complaint Form, he or she shall interview the alleged victim and obtain a completed and signed Complaint Form. If the age or ability of the alleged victim prevents him or her from completing and signing a Complaint Form, the investigator shall complete and sign the form.

10.2.7. The investigator shall refer the matter to law enforcement authorities or the Utah State Division of Child and Family Services, where appropriate or required by law. The investigator must continue to conduct the investigation even if the matter has been referred to another agency. The investigator should coordinate with the other agency and may adjust timelines and procedures accordingly.

10.3. Investigative Procedures

Both school-level and District-level investigations shall include the following steps. If an investigation is reassigned to a new investigator after it has begun, the new investigator shall gather all evidence and information from the previous investigator. The new investigator may, but is not required to, repeat interviews or other investigative procedures conducted by the previous investigator.

10.3.1. Interviews

10.3.1.1. Each of the following persons shall be interviewed, and a record made of their conversations.

10.3.1.1.1. The victim and his/her parent/legal guardian. The victim may be accompanied by an adult representative, including legal counsel. The victim may present evidence supporting the complaint. If the victim has not already completed the Complaint Form, the investigator shall complete it based on information gathered in the interview.

10.3.1.1.1.1. In cases of sexual assault or other severe trauma, the investigator should seek assistance from, and may delegate the interview to, professionals trained in interviewing children. Such professionals may include designated officials from the Children’s Justice Center, the Department of Child and Family Services, or some other private or governmental agency.

10.3.1.1.2. The investigator shall comply with the reporting requirements found in Nebo School District Policy JHFA, Child Abuse or Neglect.

10.3.1.2. The person making the complaint, if different than the victim.

10.3.1.3. The respondent and, if a student, his/her parent/legal guardian. The respondent may be accompanied by an adult representative, including legal counsel. The respondent may present evidence refuting the allegations set forth in the complaint. The investigator should gather a signed, written statement from the accused responding to the complaint.
10.3.1.4. Anyone who witnessed the alleged conduct. The investigator should gather a signed witness statement from each witness using the District’s Harassment Witness Statement form.

10.3.1.5. Anyone mentioned as having related information. The investigator should document all conversations related to the alleged incident.

10.3.2. The investigator may have additional conversations with any of the individuals listed in Section 10.3.1 to ensure that all relevant facts have been gathered.

10.3.2. Preservation of Evidence

The investigator shall gather and preserve all evidence, including video footage from surveillance cameras, photos, physical evidence, documents, correspondence, and any relevant electronic information such as text messages, videos, and social media postings.

10.3.3. For minor incidents, and only when the victim and the respondent agree, the investigator may arrange for them to resolve the complaint informally with the help of a counselor, teacher, administrator, or trained mediator. The victim shall never be asked to work out the problem directly with the respondent unless such help is provided and both parties agree. Informal mediation is not appropriate in cases of Sexual Harassment.

10.3.4. Decision and Report

10.3.4.1. The investigator shall consider all the evidence, including the credibility of all statements, and determine whether a violation of this policy has occurred. In reaching a decision, the investigator should take into account the following:

10.3.4.1.1. Statements made by the persons identified above;
10.3.4.1.2. The details and consistency of each person’s account;
10.3.4.1.3. Evidence of how the victim reacted to the incident;
10.3.4.1.4. Evidence of any past violations of this policy by the respondent;
10.3.4.1.5. Evidence of any past Discrimination/Harassment complaints that were found to be untrue; and
10.3.4.1.6. Any other pertinent information applicable to the particular situation.

10.3.4.2. The investigator shall prepare a written report of the investigation. The report should be completed using the student Bullying, Discrimination, and Harassment Investigation Report Form. The Coordinator of Student Services should maintain the report. If the report includes allegations of, or investigation into, Discrimination, Harassment, or Sexual Harassment, a copy shall be given to the Civil Rights Coordinator. If the respondent is an employee, volunteer, or other adult, a copy of the report shall be given to the Director of Human Resources. The report must include the following:

10.3.4.2.1. A description of the complaint.
10.3.4.2.2. A description of the response.

10.3.4.2.3. A list of specific sections of Nebo School District policies that are alleged to have been violated or that the alleged conduct, if true, would violate.

10.3.4.2.4. A detailed description of the investigation, including names and dates of individuals interviewed; receipt of written statements; and evidence considered, including video and audio recordings, correspondence, etc.

10.3.4.2.5. Findings of fact. This section should describe with sufficient detail the events and actions found by the investigator to be true. It should include relevant facts such as age, gender, race, or disability of victims and respondents.

10.3.4.2.6. Conclusions as to whether Nebo School District policy was violated. If the investigator concludes that a policy violation has occurred, this section should state the specific policy section and which facts constitute a violation.

10.3.4.2.7. Recommendations to address the effects on the victim and school environment.

10.3.4.2.8. Recommendations for the imposition of disciplinary action on the respondent and for deterrence of future violations. If the investigator concludes that a violation of policy has occurred, and if the investigator is authorized to impose discipline on the respondent, the report shall indicate the discipline imposed. If the investigator is not authorized to impose discipline, the report shall indicate whether disciplinary action is recommended. The discipline and remedies should be commensurate with the severity of the conduct.

10.3.4.3. To judge the severity of any violation of this policy, the investigator should consider the following:

10.3.4.3.1. How the misconduct affected one or more students’ education;

10.3.4.3.2. The type, frequency, and duration of the misconduct;

10.3.4.3.3. The number of persons involved;

10.3.4.3.4. The age and gender of the perpetrator;

10.3.4.3.5. The victim(s) of Discrimination or Harassment;

10.3.4.3.6. The place and situation where the incident occurred;

10.3.4.3.7. Other incidents at the school or school-related activities and events, including incidents of Discrimination/Harassment; and

10.3.4.3.8. Any other pertinent information applicable to the particular situation.

10.3.5. If the perpetrator is a student, the investigator shall ensure that the behavior and resulting disciplinary action is documented in the Student Information System.
10.3.6. Throughout the investigation the investigator shall monitor whether or not the student who complained has been further discriminated against or harassed. If the conduct has continued or the respondent has retaliated against the complainant, the investigator shall ensure that prompt and appropriate disciplinary action is taken. The investigator shall keep a record of this information and continue this follow-up as reasonably necessary.

10.4. Notice to Parties

At the conclusion of the investigation, the investigator shall notify the victim and the perpetrator of the outcome of the investigation. The notice shall be in writing and shall be sent to both parties at the same time. A modified version of the report prepared under Section 10.2.4.2 may be sent to the parties in accordance with the following provisions:

10.4.1. The victim is entitled to know only such disciplinary action taken against the perpetrator that is directly related to the victim.

10.4.2. The perpetrator should not be notified of the steps taken to address the effects on the victim.

10.5. Appeal of Decision.

Investigative procedures conducted under this policy may be appealed by both victims and perpetrators. The purpose of an appeal under this section is to determine whether the investigative procedures outlined in this policy were followed. An appeal may also be filed to introduce new evidence not available during the investigation. If an appeal does not introduce new evidence or allege a violation of the investigative procedures of this policy, it will be denied. Disagreement with the outcome of an investigation or with an investigator’s interpretation of the facts is not grounds for an appeal under this policy.

10.5.1. Students who have been disciplined as a result of an investigation under this policy may appeal in accordance with Nebo School District Policy JD, Student Conduct and Discipline.

10.5.2. Employees who have been disciplined as a result of an investigation under this policy may appeal in accordance with the grievance procedures outlined in the applicable employee handbook.

10.5.3. Alleged victims under this policy may appeal by giving written notice to the Superintendent within fifteen (15) calendar days of the date of the decision they are appealing. Failure to submit written notice of appeal to the Superintendent within fifteen (15) calendar days constitutes forfeiture of any right to appeal. The Superintendent or his/her designee will hear the appeal and issue a written decision as to whether the investigative procedures of this policy were followed or whether new evidence would change the outcome of the investigation. The decision of the Superintendent or his/her designee is final.

11. CONFIDENTIALITY

11.1. It is District policy to respect, as far as possible, the privacy and anonymity of all parties and witnesses to complaints brought under this policy. However, because an individual’s right to confidentiality must be balanced with the District’s obligations to cooperate with law enforcement, government agency investigations, or legal proceedings, or to investigate and take necessary action to resolve a complaint, the District retains the right to disclose the identity of parties and witnesses to complaints in appropriate circumstances, and for other good reasons that apply to the particular situation. The investigator also may discuss the complaint with one or more of the following persons:
11.1.1. The Superintendent, Director of Human Resources, Coordinator of Student Services, Civil Rights Coordinator, Director of Elementary Education, Director of Secondary Education, Director of Special Education / Federal Programs, Director of Operations, District Legal Counsel, or other applicable school or District administrator;

11.1.2. The parent/legal guardian of the victim;

11.1.3. The parent/legal guardian of an alleged student perpetrator;

11.1.4. A teacher or staff member whose knowledge of the students involved may help in determining who is telling the truth;

11.1.5. Utah State Division of Child and Family Services for purposes of investigating child abuse reports; and

11.1.6. Law enforcement agencies where the investigator has reasonable suspicion that the alleged Discrimination or Harassment involves criminal activity.

11.2. Where a complaint involves allegations of child abuse, the complaint shall be immediately reported to appropriate law enforcement authorities or the Utah State Division of Child and Family Services. The anonymity of both the complainant and school officials involved in the investigation will be strictly protected as required by UTAH CODE ANN. § 62A-4a-412.

12. RETALIATION PROHIBITED

Retaliation against any person who has filed a complaint, or has testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this policy is prohibited, and therefore, subject to disciplinary action. Retaliation may include, but is not limited to, continued Harassment, threats, taunting, spreading rumors, unauthorized disclosure of the details of an investigation, ostracism, assault, destruction of property, or other negative conduct toward participants in response to an investigation and the events causing it. Anyone found to have engaged in retaliation will be subject to disciplinary action. Participants in an investigation, including victims, respondents, and witnesses, must report to the investigator any conduct that might reasonably constitute retaliation.

13. DISCIPLINE AND REMEDIAL ACTION

13.1. Any student who engages in Discrimination, Harassment, or Sexual Harassment of anyone at school or at any school-related activity or event is in violation of this policy and shall be subject to disciplinary action consistent with Nebo School District Policy JD, Student Conduct and Discipline. Disciplinary action may include, but is not limited to, suspension, expulsion, exclusion or loss of extracurricular activities, probation, or alternate educational placement.
