1. PURPOSE AND PHILOSOPHY

The Board of Education recognizes that student dress and grooming directly impacts the education of students. Experience and research have demonstrated that the learning atmosphere is improved when students dress and groom appropriately. Appropriate student dress and grooming promotes an effective learning environment free of unnecessary disruption and distraction. In addition, appropriate student dress and grooming helps increase school and student safety and security. Certain fads and extremes of dress and grooming tend to attract undue attention to an individual, and accordingly, interfere with or disrupt the educational process. The Board of Education emphasizes the importance of cooperation among schools, parents/guardians, and students to ensure appropriate dress and grooming, and further recognizes that parents/guardians are primarily responsible for their students' dress and grooming. The Board of Education delegates to the school administration the responsibility to see that each student adheres to the dress and grooming standards set forth in this policy.
