1. A cut and print project!
   PRINT THEN CUT ALONG THE LINES.

   If you leave doors and windows open, heat and air conditioning will go outside. Cut out this handy hanger and hang it on your door knob to remind you and your family to conserve energy!

   DOOR KNOB HANGER:

   PLEASE CLOSE THE DOOR!

2. We waste precious energy when we leave on the lights! Put this handy sign over the light switch at home, so everyone will remember to shut the lights off!

   PLEASE TURN THE LIGHTS OFF!

3. Don't let precious water go down the drain! Place this handy sign near the sink to remind you to close the faucet completely.

   DON'T BE A DRIP!

   Please Shut The Water Off!
