

## NC Status Overview

### Important Points:

- Any student who Fails a class will receive an “F” grade.
- No Credit (NC) Status will only be applied to a students’ grade if the student has a passing grade in the class.
  - Example:
    - If your grade is a B+, but you have four tardies (or one Unexcused absence, or 9 Excused absences) in that class that have not been made up, you will not be awarded credit and an NG will be recorded on the transcript.
    - F is F on the transcript
    - No Credit is NG on the transcript.
  - Students can earn up to 1.5 credits on Monday, Wednesday, and Friday and up to 3.5 credits on Tuesday and Thursday according to the following schedule:
