

STUDENT QUALIFICATIONS

Attendance is open to all students regardless of place of residence. Bright Ideas students should be highly motivated, interested in learning new things, cooperative and willing to learn at an accelerated rate. Children eligible for participation are those entering kindergarten through those entering seventh grade this fall.

BENEFITS FOR PARTICIPANTS

Students in the program will:

- Interact with other bright and motivated youth
- Enjoy learning in a stimulating, enriching, and fun environment
- Participate in activities that enhance talents in academics, creative, artistic, and productive endeavors
- Experience provoking, high-level thinking activities

PURPOSE

The purpose of the Bright Ideas Summer Program is to provide educational opportunities and experiences not usually found in the home or school for bright, accelerated, and highly motivated youth. Participants can plan to experience a program of education and fun as they Puzzle things out!

COSTS & REGISTRATION

The program costs \$125.00 per student. Applicants must complete and mail the attached registration form along with a check or money order made out to Bright Ideas in the amount of \$35.00 (non-refundable deposit, balance due June 28th) or the entire amount, mail to:

COURSE DESCRIPTION

The world is full of puzzles, perplexing questions that may or may not have a solution. How do you crack the code of ancient hieroglyphics? How could Beethoven compose music when he was deaf? Why are Leonardo Da Vinci's journals written backwards? When will humans build a colony off the planet earth?

Join us this summer for Bright Ideas as we **PUZZLE IT OUT!**

- ❖ Investigate clues
- ❖ Solve a mystery
- ❖ Find the solution
- ❖ Take a deeper look
- ❖ Complete the crossword

Students will use creative thinking, problem solving, and forecasting strategies to come up with many varied and unusual solutions through teamwork, hands-on exploration, research, and the use of technology.

YOUR HOSTS

All instruction is under the guidance and direction of the BYU/Public School Partnership Gifted and Talented Committee, utilizing licensed public school teachers. University faculty members and other qualified professionals will also teach aspects of the program. Teachers will vary the curriculum according to age level, but maintain the theme and higher level thinking strategies.
