

Two calendars were created as a result of our calendar interest survey last spring. As we reviewed patron feedback, we found literally hundreds of suggestions and preferences. Unfortunately, it is not possible to create a calendar that contains the many ideas and preferences suggested. Using data from that survey we found that a majority of Nebo patrons have interest in the traditional calendar with school ending before Memorial Day (Option A) or a calendar with a slightly extended Christmas Break (Option B). After compiling data from our most recent calendar survey, we found that 53% of respondents prefer Calendar A, while 47% prefer Calendar B. Using patron feedback, the Nebo Board of Education approved Calendar Option A as the official calendar for the 2019-20 school year.

We would like to thank everyone that took time to share his/her thoughts regarding calendar preferences or ideas for the 2019-20 school year. Stay tuned for our next calendar survey that will ask for calendar preferences for the 2020-21 school year!
