Maximum Capacity is the number of students for which the school facility was built.

Adjusted Capacity is the number of students for which teachers have been assigned.

Open--Individual programs, grade levels, or classes may be closed, independent of the school's Adjusted Capacity.

If the number of applicants applying for Early Open Enrollment at a specific school exceeds the number of slots available, acceptance will be by lottery. No lottery will be held for Late Open Enrollment.

** As per district decision

Open Enrollment Window Applications Received

Early for Next Year	Dec. 1- Third Friday in February
Late for Next Year (Phase I)	Monday following third Friday in February -May 31
Late for Next Year (Phase II)	June 1-July 30
