

The Nebo Board of Education approved school boundaries for Santaquin area schools on February 7, 2018. Nebo School District would like to express appreciation to residents of Santaquin that offered their input and support during the boundary realignment process. The approved boundary map and descriptions are found below:

**Boundary Descriptions**  
**of Elementary Schools in Santaquin**

**APPLE VALLEY ELEMENTARY**

Beginning at I-15 and Main Street (US 6) in Santaquin, north along I-15 to the Strawberry Highline Canal Road. Then west along Highline Canal Road to 5950 West, then north to the railroad, then west along the railroad to SR 141, then south on a line to approximately 13000 South, then west to the west property line of homes on 6570 West, then south along the west property lines to approximately 850 North, then west to the Genola City boundary, then south on a line to Santaquin Main St., then east on Santaquin Main St. to the beginning at I-15 and Main St.

**ORCHARD HILLS ELEMENTARY**

Beginning at I-15 and Main Street (US 6) in Santaquin, north on I-15 to Strawberry Highline Canal, then east to the mountain and south to include Santaquin Canyon, west to the Utah County border, following the Utah County border north to I-15, then north on I-15 to Main St.

**SANTAQUIN ELEMENTARY**

Beginning at I-15 and Main Street in Santaquin, west along Main Street (US 6) to the Genola City boundary, then south on a line to the Santaquin City boundary and approximately 400 South, then west, south and eventually north along Santaquin City boundary to I-15, then north along I-15 to Main Street.

# Approved Boundaries for Apple Valley Elementary, Orchard Hills Elementary, and Santaquin Elementary.

Effective Fall of 2018
