

Hey Students:

If you love science and enjoy being outside in the fresh air, come to the  
\*\*Timpanogos Cave Visitor Center at 10 am every Saturday and holiday this  
summer for a FREE program! Bring your family, friends and anyone else who  
loves to LEARN.

There will be stories to hear, activities to do and even a Jr. Ranger badge to  
earn (if you like). Most of all, **COME HAVE FUN** while you learn!

Join us as we explore these exciting **Junior Ranger** topics:

May 26 Life of a Dragonfly

May 28 Bats: Creatures of the Night, Saving the World

June 2 Squirrel or Chipmunk?

June 9 America's Flags and Symbols

June 16 The World of Ants

June 23 Moth or Butterfly?

June 30 Fire Safety/Smokey Bear

July 4 These are YOUR National Parks!

July 7 Beautiful Birds

July 14 Remarkable Reptiles

July 21 Smokey Bear/Fire Prevention

July 24 Bean Museum

July 28 Deer, Elk, and Moose

Aug 4 Plants and Trees

Aug 11 Water – Solid, Liquid, and Gas
