Superintendent’s Message:

**Nebo Heroes**
Being your best when it matters most

“Blue Car Syndrome” is one term commonly used to describe the phenomena that occurs when a person is inclined to notice something after being made more aware of the concept or item. For example, a few years ago, our family purchased a charcoal gray Toyota Camry. Suddenly, I began to notice that there are a lot of gray Camrys out there.

I have personally noticed a similar effect this year with “Heroes.” Now that I am inclined to look for Heroes – those who Help people…with no strings attached; create Exceptional experiences; take Responsibility for their actions, attitudes, and results; and see life through a lens of Optimism – it is obvious to me that there are a lot of Heroes out there.

For example, I really enjoy being among our students. Just this fall, I have personally observed students do the following:

- carry a fellow competitor who had fallen during a cross country meet,
- honor veterans with a solemn flag raising,
- honor an ill opponent from a rival school,
- send flowers and notes to a neighboring high school who had lost a student,
- complete a student project as a present to grieving parents -- to name a few.

These examples, and thousands of others like them, give me daily reminders that the world is filled with everyday Heroes. My hope for all of us who are now aware of what it means to be a Hero is that we will regularly recognize and acknowledge the many among us who are “Being Their Best When it Matters the Most”. Thank you for being Nebo Heroes!!!

Regular Employee Bonus

A Nebo Employee bonus just in time for the holidays. As a show of appreciation to employees the Board of Education has chosen to pay a bonus to all regular employees. The bonus will be included with the November paycheck and will be $1,000 for full-time employees and prorated for those working less than full time. To be eligible, an employee must be employed in good standing on November 4, 2017 and scheduled to receive a November paycheck for work performed.
Thinking of retiring at the end of 2017-18?

With the introduction of the new Early Retirement Incentive Plans, we recognize that many of our outstanding employees will be contemplating retirement at the end of this school year. We will be sad to see these good friends and dedicated coworkers leave our ranks and are so appreciative of their service to students.

In order to find the best possible candidates for open positions in the current competitive job market, it is important for supervisors to begin hiring new employees as soon as possible. Therefore, we are once again offering an Early Retirement Notice Incentive to those who have their retirement approved by the Board of Education before mid-February. The details are as follows:

- Any employee who is eligible for and retires from the Utah Retirement System (URS) by June 30, 2018, can submit the final paperwork to the District by:
  - November 3, 2017, to receive $1,000 in their November 30 paycheck, or
  - December 8, 2017, to receive $1,000 in their December 31 paycheck, or
  - January 5, 2018, to receive $1,000 in their January 31 paycheck, or
  - February 2, 2018, to receive $500 in their February 28 paycheck.

- The final application deadline for this Early Retirement Notice Incentive is February 2, 2018.

This incentive is a one-time option for those who will retire at the end of the 2017-2018 school year. Interested employees who will be retirement eligible and would like to learn more about this option and their individual benefits may schedule an appointment with Robert Fleming at 801-354-7414. Retirement eligible employees will be given first priority for appointments.

Educational Support Professionals Day Nov. 15

Nebo’s support professionals provide invaluable services and are essential partners in the children’s education process. These incredible employees include all secretaries, classroom aides, cafeteria workers, maintenance workers, bus drivers and others that help and do their part in making public schools great for every child so that they can be safe, learn, grow and achieve. So support these amazing employees and use #EducationalSupportProfessionalsDay.
Nebo App

The Blackboard (formerly Parentlink) app for Nebo School District will be available in Apple, Google, and Windows app stores. You can access social media, grades, news, and participate all on your mobile device. The Nebo Blackboard app is a mobile solution designed especially for students, parents, and teachers. The app provides an intuitive way to interact and communicate. The Nebo Blackboard app can be used throughout a student's academic journey to stay on top of information and plan ahead. You will be able to download the Blackboard app soon (hopefully by the end of November).
