A Message from the Nebo School Board of Education President

The ultimate success of each student in Nebo School District is the shared responsibility of our students, parents, employees, and community in general. We firmly believe that by effectively communicating and working together, we will continue to succeed in providing a quality educational experience for our students.

On behalf of the Nebo School District Board of Education, we express sincere appreciation for the overwhelming support and confidence we continue to receive from the patrons of Nebo School District as “Your Partner in Education.”

Rick Ainge
President

Board Goals

Nebo School District will develop strong collaborative leadership in each individual classroom, school, and department. Nebo School District students will show annual progress toward the academic goals defined by the Nebo Board of Education and Superintendent Staff. For detailed information on these goals, go to: http://www.nebo.edu/board-education.

Board Schedule

The Nebo School Board of Education usually meets the second Wednesday of every month at 6 p.m. Many student groups perform and present at each of the School Board meetings. A complete listing of dates and places is available on our website: www.nebo.edu.

The Advanced Learning Center (ALC)

The ALC provides extra college and career courses to high school students while students stay involved at their regular school. The ALC offers a wide variety of courses for college credit, career readiness, and industry certification including computer programming and repair, digital media and video production, medical science, building construction, and engineering/drafting. These courses allow students to experience real-world, hands-on learning. For more information, students should visit with their high school counselor or the ALC counselor at (801) 489-2303. Go to the ALC website at: http://alc.nebo.edu. Fast-Forward Your Education!

Career and Technical Education (CTE)

CTE programs help students explore a variety of careers through course work in Business, Agriculture, Marketing, Information Technology, Health Science, Technology and Engineering, Family and Consumer Sciences, and Skilled and Technical program areas. Counselors help students identify career pathways and develop a College and Career Readiness Plan for success. For more information, students should visit with their current high school counselor and go to: www.utahchie.org.

College and Career Ready

Every Nebo student can be a college- and career-ready student prepared to succeed in college and in workforce training. Students can earn college credit through Advanced Placement (AP) and Concurrent Enrollment classes.

Technology

- Our district continues to emphasize technology integration including LCD projectors, document cameras, hand-held devices, and mini labs in classrooms to engage teachers and students in 21st Century teaching and learning.
- Currently, there are 150 wired computer labs that include 3,400 computers, 10 wireless capable laptops/Netbook labs that include 360 devices, 20 iPad labs with sync carts that include 720 devices, and 65 wireless Chromebook labs that include over 4,000 devices in 60 schools and 15 programs. Students use hundreds of personal technology devices daily.
