STUDENT RECORD OF ACCESS FORM

(Name of Student)

Date	Name of Reviewer or Agency	Reason For Review of File

FOOTNOTE: This form is required to record persons or agencies who look at a child's records - other than local school officials. It needs to be in every child's folder.

This record shall be available to parents, to the school records manager or his assistants who are delegated with custody of records or those persons authorized by law to serve as auditors of the operation of the school system.

PL 93-380, Section 438 a 4A; SEA "Guidelines on Confidentiality and Disclosure of education Records of Pupils" - 1-17-75, page 7.

Portions of student's records are not to be released except through "Procedure for Release of Information."
