

CURRICULUM

OCTOBER 2023

Elementary Resources

MATH

New on the Framework Website is a button:

“Effective Practices“

- teaching videos
- planning videos
- reflection videos
- teacher actions
- student actions

Each practice will contain a video blurb describing the practice and an upper and lower grade video focusing on the practice.

SOCIAL STUDIES

- Here's the new [K-6 core](#).
- Resources are located on the [Nebo Elementary Social Studies Website](#).
- Check out this [eye-popping study](#) showing the strong positive impact of increased social studies education on literacy.

SCIENCE

CHECK IT OUT!!

New resources on the [Framework Website](#) in each grade level page

- **Reading Passages for each ESLO:** Look for the “[Science Reading Resources](#)” button
- **Mystery Science Support and Alignment Documents:** Locate using “[Science Resources](#)” button or click this link [Mystery Science Supports](#).

We need your feedback

Use the Mastery Connect Assessments (available for every 3rd - 6th standard) and give any feedback to your Science Teacher Leader.

ARTS

Resources for integrating the arts (dance, drama, music, and visual arts) cores to language arts, social studies, science, and math cores are found on the [Nebo District Arts Integration Website](#). Enjoy using these rich arts integration lessons for K-5 teachers.
