

"Alternating Day Schedule" For At-School Students

In the possibility that an individual school in Nebo School District experiences increased COVID-19 case counts, the District is planning for an initial intervention that would reduce the number of students attending at the school each day. The purpose is to continue at-school instruction while increasing our physical distancing and cleaning measures. The intent is to reduce our COVID-19 case count by implementing these measures and to avoid more significant action.

Specific questions about the "Alternating Day Schedule" can be answered by calling the school. General details about the "Alternating Day Schedule" are listed below:

SCHEDULE

- The school will follow an "Alternating Day Schedule" and calendar (see coordinating calendar).
- Students will be grouped by last name (A-K and L-Z), allowing families to be on the same schedule.
- Students will typically attend school in person two days a week: Monday and Thursday OR Tuesday and Friday with alternating weeks (see coordinating calendar). All at-home learning days, including Wednesdays, will consist of students participating in learning activities assigned by their teacher(s).
- Schools will follow their current bell schedule, including early dismissal. Advanced Learning Center classes will continue their regular full week schedule.
