November 13, 2020

Dear Parents/Guardians:

Beginning Monday, September 14, 2020, Nebo School District will be switching to an “Open Restricted Meal Program.” Under this program, breakfast and lunch are available for free to all students enrolled in Nebo School District, including remote learners.

If your student is a remote learner and you want to participate, please call your school each morning before 9 a.m. to place your order. Meals will be available for pick up in the front office 30 minutes before your school’s scheduled lunch. A 15-minute time frame has been allotted for meal pick up.

For the safety of our students, meals will only be available to students enrolled in the Nebo School District and will not be available to other children. This will help ensure the safety of our students and their families as additional foot traffic is kept to a minimum in our buildings.

This program is scheduled to run through the end of the school year, May 28, 2021, or until funding is exhausted. We will send updates as developments occur.

Sincerely,

Spencer Sainsbury
Child Nutrition Department
