Dear Nebo District Families:

Welcome back to the start of another school year! We hope you had a safe and renewing summer with your families. We are excited to see your student(s) back for at-school learning again this fall and are committed to working with you on another amazing school year. Together, we are sure we can keep our students safe and provide an excellent education. As we announced last May:

All of our students will return to school for face-to-face instruction this fall.

We will resume our standard school schedule, with an early-out on Mondays and full-day schedules on Tuesdays through Fridays. (Note: Please check individual school websites for specific school schedules.)

Any families who may be worried about sending their student to school this fall can enroll in our Nebo District K-12 online school, Nebo Online Learning Summit. Please email anna.palmer@nebo.edu or call 801-489-2833 (ext. 4) for more information.

We are still waiting to receive guidelines from health officials on how we will proceed regarding COVID-19 protocols. While we do not know specifics, vaccinations for 12-18-year-old students will help them stay in school and avoid quarantine. We will send a follow-up message as soon as the guidelines from state and local health officials are announced.

Please enjoy these last few weeks of summer, and we look forward to seeing you back soon.
