

BOARD MOTION

Proposed Motion

I make the motion to adopt the Board Resolutions adopting and approving the following educational resources for the mathematics curriculum in Nebo School District: (a) The Pearson Learning Custom Math Program for Secondary Math I, II, and III in grades 9-12; (b) McGraw Hill Glencoe Math for grades 6-8; and (c) McGraw Hill My Math for grades K-5.

BOARD RESOLUTIONS

RESOLVED that, after due consideration, the Board of Education of Nebo School District hereby adopts and approves the following educational resources for the mathematics curriculum in Nebo School District: (a) The Pearson Learning Custom Math Program for Secondary Math I, II, and III in grades 9-12; (b) McGraw Hill Glencoe Math for grades 6-8; and (c) McGraw Hill My Math for grades K-5.

FURTHER RESOLVED that the Board of Education expects these adopted and approved educational resources to be implemented, used, and followed by all teachers involved with teaching the mathematics curriculum in Nebo School District.

BACKGROUND INFORMATION

During the school year 2012-2013, Nebo School District underwent a mathematics materials review for the courses of Secondary Math I, II, and III. This review was conducted by a committee comprised of one teacher representative from each junior high school and high school, along with two Board of Education representatives, three school administrators, two parent representatives, the District Curriculum Director, the District Math Specialist, and the District Secondary Education Director. This committee reviewed several math programs related to these courses and unanimously selected The Pearson Learning Custom Math Program as the Secondary Math I, II, and III programs for Nebo School District.

During the school year 2013-2014, Nebo School District underwent a mathematics materials review for kindergarten through 8th grade mathematics. This review was conducted by a committee comprised of one teacher representative from each junior high school and elementary school, along with two Board of Education representatives, five school administrators, two parent representatives, the District Curriculum Director, the District Math Specialist, and the District Elementary Education Director. This committee reviewed several math programs related to these courses and by a vote of 32 to 2 selected the McGraw Hill Glencoe Math for grades 6-8 and the McGraw Hill My Math for grades K-5 as the math programs for Nebo School District.

Approved: March 12, 2014
