July 2021

Dear Parents and Students,

Welcome back to the start of another school year. We feel it is an opportunity to serve with warm hearts and happy faces the students, faculty, and parents of Nebo School District. Our nutrition staff look forward to serving you delicious and nutritious food.

Please note the following information for the upcoming school year:

1. Breakfast and lunch will be free to all students of Nebo School District through the end of the school year.
2. Meals are offered with fat-free milk, fruits and vegetables, and an occasional dessert.
3. Visit our menu website at <http://www.nebo.nutrislice.com> to view the daily menu.
4. Online meal applications will again be available at <http://www.nebo.edu/child-nutrition/> free-reduced. Although meals are currently free to all students, applications are available and can help you qualify for other benefits. There are computers available for use at our office if needed. Our office is located at 350 South Main in Spanish Fork. For easy access, park on the west side and enter the building marked "Child Nutrition".

Keep smiling and remember to join us this year in celebrating October's National School Lunch Week and National School Breakfast Week in March.

Success to you and your family,

Spencer Sainsbury  
Coordinator  
Child Nutrition
