

NO CHILD SHOULD
GRIEVE ALONE.

1 in 15 children in Utah will experience the death of a parent or sibling **by age 18.**

By providing a safe & caring environment, grieving children, teens and their families can share their feelings **while also healing themselves.**

The Sharing Place has been providing unique & unduplicated **grief support services for youth in our community for over 28 years.**

Through self-expression with artwork, play & physical activity, children & their parents are able to have a safe haven to grieve and begin to heal.
